Testimonials for Classes

“I really appreciated attending Jean’s classes, both as a professional working with families and as a parent myself. Jean is a natural educator blending lecture, with interactive role-playing and story-telling. She is a good listener while also guiding and leading you to solving your parenting dilemmas!”—*Sarah Peterson, Mother, Social Worker, Child Psychotherapist*

“I’m so glad I participated. I loved the discussions and I love your methods and how they broke down into simple solutions.”—*Susan Schmidt, Mother*

“I have learned to sit down with my children face to face instead of standing over them. I feel more involved when I listen to how their day went and find out about their everyday lessons and next school project. It helps me be a better father.”—*Steven Braxton, Father.*

“Your techniques are specific, simple to follow, and easy to teach my daughter.”—*Debbie Beach, Mother*

“I’m pleased that Scotty, my son, said he got a lot out of these classes, especially in expressing himself. I feel that Jean is a person who really cares.”—*James Vandecoevinger, Father*

“Jean’s list of Non-Material Bonding Rewards is a perfect reminder of what we imagined doing with our kids before we had them. Although it is easier to buy them rewards, the ones on her list are priceless. Thank you again for your wisdom & generosity & let me know if any new events are scheduled.”—*Elizabeth King*

“Being a participant in Granny Jean’s Character Building Classes has been a great and rewarding experience. My son and I have enjoyed the non-material bonding rewards. We now spend each evening doing something together. Thanks, Granny Jean!”—*Kimberly BeDell*
